

PUPIL PREMIUM GRANT 2017-18

The Pupil Premium is a fixed sum of money allocated to schools for children of statutory school age from low-income families who are known to be eligible for Free school meals (FSM) in both mainstream and non-mainstream settings; to children who have been looked after continuously for more than six months and to children whose parents are currently serving in the armed forces.

Schools are free to spend the Pupil Premium (PP) as they see fit. At Stoneferry we target the funding to support those children who most need additional support and to help them to overcome the barriers they face to their learning. We are held accountable for how we use the additional funding.

In 2016/17 the level of premium is £1320 per pupil who are eligible for Free school meals, £1900 for looked after/post looked after pupils and £300 for children who have a parent in the forces.

The additional support we have identified our pupils need to help them overcome barriers to learning are:

- Social and emotional guidance and support.
- Attendance
- Support with language development
- Additional intervention for reading, writing and maths
- Targeted reading support
- Enrichment activities

The impact of how we allocate this funding is monitored closely.

- We analyse which pupils are underachieving and why this happens: this gives us a realistic view of the barriers to achievement experienced by many pupils and allows us to formulate an appropriate response.
- We place greatest emphasis upon high quality teaching and interventions which are planned in waves to support learning where pupils need to catch up or require additional challenge.
- We use achievement data to check the impact of interventions and to make adjustments where these are necessary.
- The headteacher holds staff to account for progress via termly 'Pupil Progress Meetings'.

- Governors have an understanding of the way that Pupil Premium funding is used to support achievement and demonstrate challenge to leaders around the impact of this additional resource. They ensure that money is spent appropriately and monitor impact.
- The allocation of resources is reviewed on a termly basis and Governors approve the overall spending on an annual basis. This is undertaken in the Summer Term, in order to plan for the new academic year.

This is a breakdown of our current allocation.

Current year allocation 17/18	How the allocation will be spent	Cost
£51, 880	Emotional well being worker Training costs ELSA resources Attendance lead	£22, 000
	Speech and language lead staff Training Speech and language resources	£13, 000
	FFT targeted intervention for reading/writing Targeted intervention for maths After school tuition IXL learning resource Lexia	£8500
	1:1 reading input	£1400
