

Key stage 1 and 2 SATs results for 2016-17

At the end of a Key Stage children are judged to be either working at the expected standard or not. Some children may be judged to be working above the expected standard..

At KS1 assessment is based on the class teacher's assessment of the children's ability. At KS2 children's raw test scores are converted to a scaled score, where 100 is the national expectation.

KS1

There were 25 children in the Y2 class.

| | % below expected standard | % at or above expected standard | % above expected standard |
|----------------|----------------------------------|--|----------------------------------|
| Reading | 24% | 76% | 28% |
| Writing | 32% | 68% | 12% |
| Maths | 28% | 72% | 24% |

KS2

There were 17 pupils in the Y6 class.

| | % below expected standard | % at expected standard | % above expected standard | average scaled score |
|--|----------------------------------|-------------------------------|----------------------------------|-----------------------------|
| Reading | 45% | 65% | | 104 |
| Writing | 25% | 82% | 20% | |
